

Exhibitions & Newsletter

During our last season we exhibited in the Autumn Arts Festival, where we had great success in displaying and selling our work.

As a result we look forward in doing this again. Because things change from time to time we like to keep our members well informed with a monthly news-letter. If you haven't received these newsletters here is a QR Code link to sign up for one.

About Us

We are an enthusiastic group, who enjoy a common interest in photography sharing our passion with others. Our aim is to both enjoy socialising with fellow photographers and to promote photography as an art form. Each year we try to organize field trips on a regular basis throughout the year.

To this end, we have competitions on a chosen and open theme on a bi-monthly basis to encourage new and innovative ideas. In between we have workshops or a speaker or both.

We encourage members of all experience and ability to participate in all club activities in order to improve their personal photographic skills and receive satisfaction and enjoyment from such participation.

Competitions: We hold bi-monthly club competitions. All entries must be submitted by the last Wednesday of the month prior to the showing of entries (eg. Nov Competitions entries should be in by the last Wednesday of Oct and so on. See overleaf or visit our website for more information on the rules of entering.)

3 Ways International

For the last 9 years the Cambridge club has competed with 2 clubs in Scotland. The selected images are submitted for judging near the end of the year and the results are returned to the clubs near the end of February. Last year we competed with Islesburg and Mearns. We have won this FIVE times so far.
